

Catifa Up Soft

Design by Lievore Altherr Molina, 2017

Art. 6205

Chair with polished or powder-coated aluminium fixed trestle base, mounted on self-braking castors. The shell in white polypropylene comes with a front double cushion and it's upholstered in leather, coated fabric, fabric or customer's material. Aluminium armrests are offered in the same finishes of the base. The optional armrests must therefore be included when placing the order, because they can be assembled only on compatible shells.
