Description	The Rest Sofa combines deep comfort with modern lines and an inherently soft seat. Referencing the ideas of Scandinavian design, the Rest Sofa features subtle details through its small folds, paired with its inviting shape.
Material	Legs are made in metal or FSC™-certified (FSC-C028824) wood. Frame in plywood and High-Density Fiberboard (HDF) made from FSC™-certified (FSC-C028824) wood, zig-zag springs, cold foam, and wadding. Upholstered in high-quality textiles. EU/US version: Standard and high-resilience polyurethane foam. UK version: Standard fire retardant polyurethane and combustion-modified high resilience foam.
Cleaning & Care	In case of stains, we generally recommend removing non-greasy stains by carefully dabbing them with a lint-free cloth or sponge wrung out in clean, warm water. Clean by dabbing with soapy water made with a bit of dish soap if necessary. Finally, dab the surface with clean water. We advise visiting Kvadrat.dk, Nevotex.dk, Maharam.com, or Gabriel.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.
Additional Information	A Power Outlet including USB and USB-C charger can be added to the Rest Sofa Series. The Power Outlet is available in an EU, US and UK version. Please note that Muuto does not offer installation of the Power Outlet into any Muuto products. Please note that all upholstered products, sold in the UK, contain flame retardant foam in order to fulfill the stringent flammability standards under the UK Furniture and Furnishings Fire Safety Regulations. The flame retardant used in the foam is melamine, CAS number: 108-78-1.
