

Flow Trolley

“With the Flow Trolley, we wanted to create a versatile design that could be used in any setting, be it at home, in the workplace or in a hotel room. With its grooved trays in embossed metal that make for an understated vibrancy, the Flow Trolley adds a contemporarily elegant touch to a traditional form while bringing simple functionality into everyday life.”

About the designer	Normal Studio is a Paris-based design studio, founded in 2006 by Jean-Francois Dingjian and Eloi Chafa. In their work, the duo attempts to promote elementary design that goes beyond trends and fads to create objects that will have a longstanding lifespan through timeless expressions. Designs by Normal Studio are part of the permanent collection of Paris' Musée des Arts Décoratifs and featured in various contemporary art foundations throughout France.
Environment	Indoor
Country of Production	China
Preassembled	No - full assembly is needed.
Description	The Flow Trolley brings the concept of functional design into a modern context through its grooved trays in embossed metal for a contemporary expression, paired with the flexibility of its wheels that allows for it to be moved from one room into the other. Designed in a monochrome look, the Flow Trolley adds modern storage to any space in the home, workplace or hospitality setting.
Material	Trays and legs in powder coated steel. Wheels in powder coated steel and rubber.
Cleaning & Care	It is recommended to clean the Flow Trolley with a damp cloth and if necessary, only use a mild solution pH neutral cleaner and wipe dry to remove any residues. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away. If dust gets stuck on the tires of the wheels, remove it with a wet cloth.
