

Strand Table Lamp

“The Strand Table Lamp is formed from a sprayed cocoon material with its cloud-like appearance that tightly clings to a spinning steel frame. It consists of tiny strands for a complex, intriguing structure that shrouds the light source while acting as its diffuser. With its see-through expression, the cocoon material allows for the Strand Table Lamp to filter light for a warm, comfortable glow. The Strand Table Lamp is a truly tactile and functional luminaire with soft light throughout the body, bringing an inviting sculptural quality to any setting.”

— Benjamin Hubert

Designed by	Benjamin Hubert
Description	The Strand Table Lamp references design history while remaining distinctly modern. Its shape is soft and playful, a sculptural design fitted with a hidden light source that illuminates the whole of its monolithic form. The lamp is made in a sprayed cocoon material that consists of tiny strands for a complex, intriguing structure that gives the Strand Table Lamp an almost cloud-like appearance. Filtering light through for a warm, comfortable glow, it brings a sense of comfort, harmony and a refined sensitivity to any room.
Material	Cocoon layer with inner steel structure, base in iron and aluminum, PVC cord with inline dimmer. Light bulb not included.
Cleaning & Care	Clean with soft dry cloth only. Always switch off the electricity supply before cleaning.
Cord length	250 cm / 98.5"

Strand Table Lamp

Dimensions

Height: 39,1 cm / 15.4"
Diameter: 29,4 cm / 11.6"
Cord Length: 250 cm / 98.4"

Ready-to-ship

White

Lamp rating

Voltage 220-240V
Frequency 50/60Hz
IP Rating IP20
Classification Class II
Socket Max 13W LED

Light source recommendation

Lamp Base E27
Dimensions Ø80 x 115mm
Light Source Shape G80
Light Source Type Frosted/Opaque, LED
Dimmable
Max Voltage Max 13W LED

Tests, Labels & Certifications

Electromagnetic Compatibility Electromagnetic Compatibility (EMC)
Safety & Regulations ECO Design Directive
