Outline Pouf

"With the Outline Sofa Series, we wanted to create a visually light and elegant design with lots of comfort, translating aspects of modern architecture into the design through juxtaposing elements. Outline is created with slim proportions for a simple and elegant look, complemented by its generous seat and slender legs. There's a calm serenity about the Outline Sofa Series, having a soft and deep seat with clean lines and a strong architectural presence, brought forth by its overlapping forms that bring a refined touch to the expression of the design."

Cleaning & Care

Upholstery:

Textile:
In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to kvadrat.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.

Imitation Leather:
Clean with lukewarm PH-neutral soapy water and a soft cloth or soft brush. Do not use solvents or chemical cleaners, but cleaning can be done with alcohol-based cleaners. Finally, wipe with a damp cloth afterwards.

Leather:
As a natural material, leather requires looking after. If you care for the leather in the right way, it will become even more beautiful over time.

Refine Leather, Easy Leather and Endure Leather: Clean leather with a dry cloth regularly. treat the leather at least four times a year using only special leather treatment products. Visit ca-mo.com further information on cleaning leather.

Allure and Grace Leather:
Only vacuum clean with a soft brush. Never use soap or water otherwise the velvety look and feel will disappear. Do not apply leather grease or soak the leather. Avoid any chemical products, such as saddle soap, leather cleaners or household products.

Base:
Clean powder coated or polished aluminum surfaces with a lint-free cloth that has been wrung in lukewarm water. If necessary, use a mild detergent on the cloth. Wipe the surface with a dry lint-free cloth.
